

PASTORAL CARE MESSENGER

Christ Church Cathedral Ottawa, April 2024

Our community of faith

“We belong to a community of faith for a reason. We belong for the times when things get tough and we need a group of people to be there for us. We belong for the times when we see others who are in need of love, care and support. We belong because we realize that we can not do this life on our own and we need others to help us along the way. . . .

“We have questions that need to be answered, and faith that needs to grow. May we find courage to express our doubts and fears in a community of faith that will support and care for us always.”

*From Canon Doug Richards’ sermon,
Sunday, April 7, 2024*

May you see the Love of God daily in all of the people who surround you with Love, Care, and Support.

Canon Doug

O Lord, to find new ways to see the treasures of countless price that
