

# PASTORAL CARE MESSENGER

Christ Church Cathedral Ottawa, February 2025

---

## *Being God's light*

By our lives, by the love we share, by the grace we are given, by the hope we hang on to and cling to, by the encouragement that we give to each other. It is all God-given—never forget that—and there is no darkness in all of creation, in the long story of history, that has ever been able to—or ever will—extinguish that light. So share it. Be that voice. Be that hope. And know whose you are—loved by God.

*From Canon Rob Heard's sermon, February 9, 2025*

---

Gracious God, help us to see the light of your Son shining in the world.  
Help us to be a part of that light for others to see hope and feel loved.  
Amen.
