Snowdrops

Always remember,
that if a small, delicate flower
can find strength
to push its way
through hard frozen ground
year after year,
the possibilities
for humans are endless.

We have so much more
strength and potential
than we realize.

We need to learn
how to use it in the correct way.

— Elizabeth Sirrell

A Prayer for Spring

For the cycle of life which brings death and rebirth
We rejoice in the promise of Spring

For lengthening days and sunlight's warmth upon the soil
We rejoice in the promise of Spring

For a snowdrop's beauty reflecting its Creator's artistry
We rejoice in the promise of Spring

For new born lambs their joy and exuberance
We rejoice in the promise of Spring

For all of creation and the majesty of its Creator
We rejoice in the promise of Spring
