Spring

With each unfolding seed, with every
Spring,
He breathes the rumour of His
resurrection,
As birdsong calls your hidden heart to
sing.
So may this season be His benediction,
To lift your love, and bid your prayer
take wing,
To thaw your frozen hope, to warm
your mind,
For Spring has come! Can Heaven be far
behind?

A Prayer for Spring

O God, Creator of the sun which makes the seasons. I rejoice in the gift of ever-growing light. With joyfulness I greet this new spring that rises from a grey winter of long nights. Great and generous are You, my God, who has given us the rich variety of ever-changing seasons. For this I thank You. Amen.

May the new life that is found in this season of spring fill you with awe
and wonder at the beauty of creation.
